BIRTHDAYS

Happy Birthday!

Established in 1930, the Bank for International Settlements (BIS) is the oldest international financial institution. Over the past 90 years, the BIS has played a number of key roles in the global economy, from settling reparation payments imposed on Germany following the First World War, to serving central banks in their pursuit of monetary and financial stability. [Read more](#)

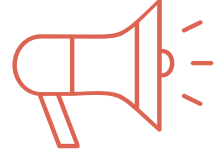

The history of Banque de Luxembourg, which in 2020 celebrates 100 years in the Grand Duchy, is closely linked to that of the country's financial centre, whose development the Bank has always actively supported. [Read more](#)

Deutsche Bank was set up in 1870 and has grown to be one of the leading global investment banks, headquartered in Frankfurt am Main. For 150 years, Deutsche Bank has been connecting worlds to help people and businesses get to where they want to be. [Read more](#)

Nationale-Nederlanden has a strong history that stretches back 175 years. Over the years, the insurer has built leading positions in its chosen, predominantly European markets. Its roots lie in the Netherlands of the 18th century, when regional funds were founded. [Read more](#)

In 2020, UniCredit celebrates its 150th anniversary. This important milestone in the bank's long history highlights how the Group has been a key player since the beginning of the evolution of the modern global banking sector in Italy and beyond. [Read more](#)
