Crédit Agricole celebrates its 150th anniversary in 2021. It was launched in response to the pressing need of the owners of small, family-run farms to secure short-term loans in order to develop their yield. Today, the bank has become one of the world's leading players in co-operative banking and insurance and has subsidiaries all over the world. The history of the Crédit Agricole, which was initiated by the works of André Gueslin, has been completed by Hubert Bonin in 2020.

The Croatian National Bank celebrated the 30th anniversary of its establishment in 2020. The Constitution of Croatia, adopted in December 1990, designated the CNB as the central bank of the Republic of Croatia and defined its responsibilities, while the Regulation on the National Bank of Croatia on 8 October 1991 and the decision to replace the Yugoslav dinar by the Croatian dinar later on defined and specified the responsibilities and functions of the central bank.

The National Bank of Moldova is turning 30 in 2021. The fundamental objective of the National Bank is to ensure and maintain price stability. Without prejudice to its fundamental objective, the National Bank promotes and maintains a financial system based on market principles and supports the economic development of the country.

The World Bank began operations in June 1946. Formally, the organization came into existence when its Articles of Agreement were ratified and became effective on December 27, 1945. To mark the 75th anniversary of the Articles of Agreement, the WBG Archives has launched several new products as part of its on-line exhibit.
