08.30 - 16.30 **'The legacy of the haute-banque in the world'** *eabh* Conference

09.30 - 12.30 **'A visit to Parisian Covered Passages'** Spouse event

Meeting point at 9.30 at the entrance of the BNP Building, 14 rue Bergère

Built mostly in the 19th century, the Covered Passages are a typical Parisian architectural feature near the Grand boulevards. Today, they house shops, restaurants, tearooms and bookshops. The tour will allow to visit the most famous arcades: the Passage Jouffroy, the Passage des Panoramas (oldest one), the Galerie Vivienne, the passage Colbert and the Palais Royal, the birthplace of Passages... A coffee break will take place in a typical café near the passage Colbert. Participants in the spouse event are welcome to join the conference delegates for lunch after the tour.
